

QMAXBLU

Q-MAX Highly Concentrated Multi Purpose Cleaner & Degreaser

Uses

Q-Max is a powerful versatile heavy duty food safe cleaner and degreaser. Specially formulated to dissolve and remove grease and grime leaving a spotless finish. Q-Max is ideal for use in most sectors including education, industrial and leisure as well as food manufacturing and preparation. Can also be used due to its versatility in the engineering industry, print works, hospitals and machine shops. Q-Max is ideal for the general cleaning of floors, walls (interior and exterior), paths and roofs.

Maximum Power!

Directions for Use

Wear protective gloves—Use undiluted for really stubborn grime.

Dilute 1 part with 10 parts of water for heavy duty cleaning.

Dilute 1 part with 50 parts of water for general purpose cleaning of hard surfaces.

Dilute 1 part with 200 parts of water for light cleaning.

Use hot or cold water dependant on level of soiling. Apply to the surface using spray, mop, brush, cloth or machine. Leave to react for a few seconds and then wash or wipe off the dirt with a hose, mop or damp cloth, rubbing stubborn marks. Rinse the mop or cloth frequently in clean water.

Vertical surfaces should always be cleaned from the bottom up to avoid unsightly streaking.
